BUSY SELLING SEASON TICKETS

Holly Club Lecture Course Promises to be Big Financial Success

Tickets are now on sale for the series of entertainments to be given by the Holly Club and judging from the way they are being sold, this season's course promises to bring greater financial success than any other preceding course.

Five entertainments furnished by the Brockway Lecture bureau compose the course. Each number is made up of the best available talent and while the series embraces talent of a wide and varied character, there is nothing listed that will not provide an evening of wholesome entertainment or amusement as the case may be.

The Kellogg-Haines singing party which is the first attraction, will appear November 2 and comes highly recommended by press and pulpit. They have traveled through nearly every state in the Union and have met with great success everywhere.

The second attraction will be the Dunbar company, male quartet and bell ringers, which is among Brockway's leading attractions. The other three while not similar in character, are equal in merit and all will be relished by the intelligent people of Monessen. All persons who wish to sell tickets may do so and will be rewarded by a free ticket for every ten sold. Tickets are being distributed by Mrs. D. J. McMahon.

REPUBLICAN NOMINEES HAVE ARRIVED IN MONESSEN

Visited Some of the Mills This Afternoon and This Evening a Social Session Will be Given.

Deputy Great Commander Here.

Miss Matilda Guyler, deputy Great Commander of the Ladies of the Maccabees is in town soliciting members for the local court. The Ladies of the Maccabees is a business and fraternal organization especially for ladies, and the local court is in a flourishing condition.

Miss Guyler has been very successful and is well pleased with the results of her efforts thus far. Lady Commander Harris, of the local court, Ladies of the Maccabees, desires that all members be present at the meeting, Friday evening, October 19th.

Kirk Says—

Every woman in Monessen should use our line of pure spices.

County Chairman Crowell and a party composed of several of the Republican nominees for county offices arrived in our city on the afternoon train and are busy meeting the voters of Monessen in order that everything may be arranged for the town to turn out a big Republican majority at the November election.

Three weeks from today, November 6, the great ordeal will be over and men will be chosen to fill the several offices for another term and it is the desire of the Republican leaders of the county to have each office filled by the candidate who won the nomination in one of the hottest political battles that was ever fought in Westmoreland county.

Those here today are County Chairman Crowell, John M. Hawk, candidate for Clerk of Courts, John F. Wentling, candidate for District Attorney, Harry Yont, candidate for Prothonotary and Dr. Weddle, D. B. Sullivan and Berkey H. Boyd, candidates for the legislature.

This afternoon was spent at several of the mills and taking in the town in a general way and this evening will be devoted to having the candidates meet as many of the voters of the town as possible.

County Chairman Crowell is arranging a date for his party in every town of reasonable size in the county between now and election time and at some places speakers may be present to discuss the issues of the campaign. At least an effort is being put forth to poll the biggest Republican vote ever polled in Westmoreland county.

Runaway Averted.

U. L. Blose, a teamster had a narrow escape from a runoff while coming down the Sixth street hill at noon, today. A singletree broke and the pieces flew against the horses heels, and the team started down the hill, at breakneck speed. Mr. Blose held to the lines and succeeded in stopping the team when Schoonmaker avenue was reached. Fortunately the lines or bridle did not break, or a smashup would have resulted.

AN OLD MAN'S TRIBUTE.

An Ohio Fruit Raiser, 78 Years Old, Cured of a Terrible Case After Ten Years of Suffering.

When suffering daily torture
From backache, rheumatic pain,
Any ill of kidneys or bladder,
Turn to Doan's Kidney Pills.
A cure endorsed by thousands.
Read an old man's tribute.

Sidney Justus, fruit dealer, of Mentor, Ohio, says: "I was cured by Doan's Kidney Pills of a severe case of kidney trouble of eight or ten years' standing. I suffered the most severe backache and other pains in the region of the kidneys. These were especially severe when stooping to lift anything, and often I could hardly straighten my back. The aching was bad in the daytime, but just as bad at night, and I was always lame in the morning. I was bothered with rheumatic pains and dropsical swelling of the feet. The urinary passages were painful, and the secretions were discolored and so free that often I had to rise at night. I felt tired all day. Half a box served to relieve me, and three boxes effected a permanent cure."

SIDNEY JUSTUS.

A FREE TRIAL of this great kidney medicine which cured Mr. Justus will be mailed on application to any part of the United States. Address Foster-Milburn Co., Buffalo, N. Y. Sold by all dealers; price, fifty cents per box.

Does Your Stomach Bother You?

Dr. Shoop's Restorative Cures All Distressing Stomach Troubles Through the Inside Nerves.

As you value your health and happiness don't neglect to care for the slightest stomach pain—don't let it go. At the first sign of distress use Dr. Shoop's Restorative and end all these troubles. These aches are signals—they are symptoms of coming disease—is it wise to ignore them? You who never eat a hearty meal without a sense of fullness, followed by a period of lassitude or drowsiness—beware. Neglect these conditions and you surely invite distressing indigestion—you'll become a sallow, miserable dyspeptic. Do you experience any of these symptoms?—distress after eating, returning of food to mouth, gnawing at pit of stomach rumbling of gas, belching of wind, loss of appetite, heartburn, headache, dizziness? If you suffer in any of these ways, your duty is clear—there is but one course open to you—strengthen the inside nerves—these special stomach nerves—shake off forever this evidence of disease. Put the digestive nerves in condition to act as nature intended they should. Don't drug, don't force—just give the inside nerves natural force, gentle tone, nature's help. Dr. Shoop's Restorative (Tablets or Liquid) should be taken to do this—it is the only prescription which builds up or even attempts to restore the inside stomach nerves. Sold by

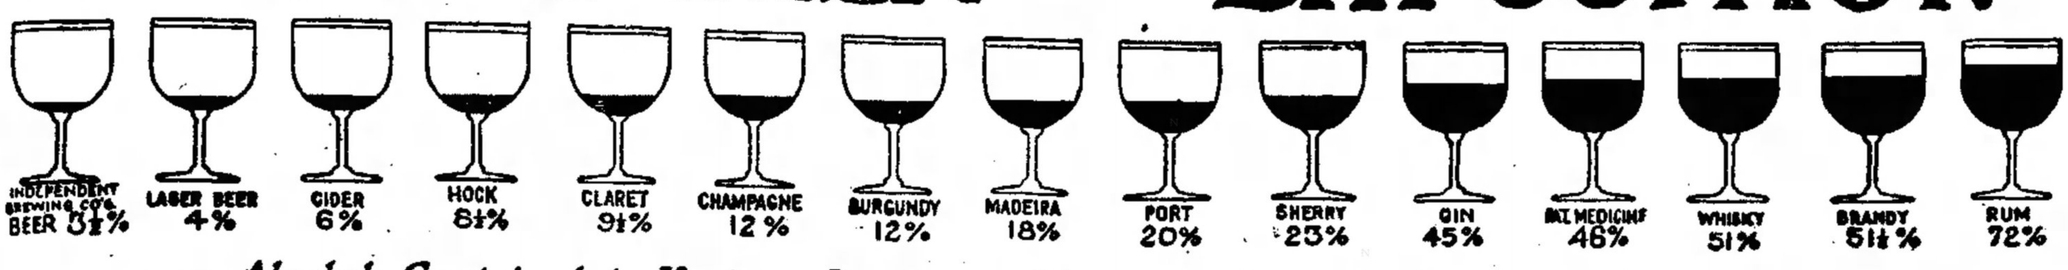
A STUDY IN BEER AT THE EXPOSITION



——Alcohol Contained in Various Beverages Shown by Dark Shadings and Percentages——

Independent brews are delightful in flavor, foody and pure.

The insignificant amount of alcohol which they contain—about 3½ per cent.—is immediately used in the creation of mental and physical energy.

Charles H. Treat, United States Treasurer, says: "The business and social life of the great city of New York is turning to beer and soft drinks.

"If you should walk into some of the great political and social clubs of New York to-day, organizations composed of the best business and professional men of the city, 75 per cent. of those sitting around the tables would be drinking soft drinks, in which I include beer as the foremost."

Aside from their own nutritious principles the beers of the Independent Brewing Co. are of proved value in aiding the stomach to digest other foods.

Physicians know this and prescribe them as meal-time beverages.

G. B. Burhans Testifies after four Years.

G. B. Burham of Carlisle Center, N. Y., writes "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick dust sediment, and pain and symptoms of kidney disease disappeared. I'm glad to say that I have never had a return of any of those symptoms during the four years that have elapsed and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble." GOSSIP OF THE STAGE

Entertainment, such as is bi'le l at the Star theatre this week, is rarely enjoye l by Monessen folks. At each performance the little playhouse was crowded to overflowing last night and not one of the "Stars" patrons were disappointed. The mysterious L. Dallas appeared in an ac. of unusual merit. Some of their feats are truly wonderful. Eddie Haye, the funny minstrel man, kept the audience in an uproar of laughter, and was generously applauded. The animatiscope presented Kathleen Mavourneen, and the illustra ted song was sung by Miss Woods, who is growing in favor with the patrons of thd "Star" with the passing of each week, Thursday evening the program changes.

The attraction which is to appear at the local opera house, Friday evening of this week, is without a parallel among th seasons shows. Pierce Kingsley's great American play "Deserted at the Altar" is everything that can be embo l ied in a play of its kind, and Manager Shuster does not hesitate to invite the public to witness the production. No pains will be spared to have a crowded house. Last year the company appeared here and universal satisfaction prevailed an l all who wish to see a good clean wholesome show, should attend Friday night.

Buying Birds to Free Them.

Birds are often purchased in the bird market at Lucknow, India, in order to be set free again. This is done by Hindoos as a work of merit and by Mohammedans after certain rites have been performed as an atonement, in imitation of the Jewish scapegoat. It is essential that a bird used for this purpose should be strong enough to fly away; but that does not induce the cruel dealers to feed the birds, or to refrain from dislocating their wings or breaking their legs. They put down everything to good or bad luck, and leave the customer to choose a strong bird, if he can find one, and to go away if he cannot. The merit obtained by setting a bird free is not attributed to Deity, but it is supposed to come in a large measure from the bird itself or from its attendant spirit, and hence birds of good or bad omen, and especially kites and crows, are in much demand and are regularly caught to be sold for this purpose.

An Impression.

"Now I have an impression in my head," said the teacher. "Can any of you tell me what an impression is?"

"Yes'm, I can," replied a little fellow at the foot of the class. "An impression is a dent in a soft spot."

A good match between the East Ends and McGinley's on the Capitol allies last night, resulted in the former team winning two out of three.

The East Ends have been rolling splendidly in the last few games and last night was no exception. They won the first game by a good margin but the McGinley's took a brace and captured the second. In the last game however, the pace set by the East Ends was too hot for the McGinley's and they lost by over a hundred pins. S. Zollars of the McGinley's rolled the high score for the evening, getting 218 pins in the last game while Bonnine's record of five strikes was equaled. The East Ends are now tied for second place and at the pace they are now going, promise to prove an important factor in the race. The next match will be played Wednesday evening, between the Keystones and East Ends. Last evening's score:
